

Welcome to FOI+

FOI+ is an online support service and networking tool for information professionals working in the public sector. Through this service we aim to provide you with a effective additional resource – an expert in your office!

FOI+ – what is it?

A support service which brings together recognised experts in the fields of Information Governance and Security, the Access to Information legislation and the Regulations on the Re-Use of Public Sector Information.

FOI+ – what can it do for you?

- ✓ Provide you with access to a help desk to advise on how to process information requests
- ✓ Provide you with an expert panel to give in depth advice about how to approach complex issues
- ✓ Provide you with an on line tool to discuss specific aspects with colleagues and access best practice
- ✓ Provide you with an instant on line alert service to raise awareness of 'round robin' requests and provide advice in relation to them.
- ✓ Provide you with analysis of decisions made by the Information Commissioner and an assessment of how they might affect you
- ✓ Provide you with a library of useful tools and learning resources which you can use within your organisation
- ✓ Updated FAQs to reflect current concerns and solutions
- ✓ Provide access to leading edge training and consultancy at discounted prices
